

Your Hometown Welcome Service  
with a Personal Touch!

## JOIN OUR TEAM!

We are looking for Welcome Neighbor Greeters.

Do you live in the Chanhassen, Victoria, or Belle Plaine communities? Do you like to meet new people? We are looking for greeters to welcome new residents for each of these communities.

You will be given duties that can be executed on your own time which means *major flexibility!* We provide you with a list of new residents and packets of information that you would present to the new resident. We just require you to do a certain amount of welcome visits a month.

You would be required to attend one monthly meeting, have a computer/printer and have reliable transportation. Training is provided.

Please send your resume or questions to:
