faithful + beginnings

at Saint John the Baptist Catholic School in Jordan

At Saint John the Baptist, in our Faithful Beginning Preschool programs, we offer options!

- Select two, three, or five days a week
- Pick full or half days
- Decide between our two classrooms --- Preschool or Kindergarten Readiness

Come see us to discover the SJB difference!

- We nurture the whole child, mind, body, and spirit.
- We offer books, lessons, and an environment where the influences of the world are avoided, where play is a big part of what we do, and where each child is known and loved as a child of God.

PRESCHOOL

Our Preschool classroom is for three, four, or five year olds preparing for Kindergarten. Play is at the heart of our day, with time to explore outside, time to pretend, time to paint, and time to build. Children learn who God is, how to be a friend, and what they enjoy doing as they write, play with cars, build puzzles. They explore the world as they find worms, hatch eggs, and even make some of their own snacks together.

KINDERGARTEN READINESS

Our Kindergarten Readiness classroom is for children who are four or five and preparing for kindergarten. Children play, inside and outside, attend music class and PE, and work on beginning literacy and math skills as they play. They spend time in centers learning to get along with others, to share, to be kind. They explore simple science concepts and this beautiful world God gave us.
